BLACK LIVES MATTER

Together we must stand for truth, fight injustice and demand equality. We want to shine a light on this movement because we believe Black Lives Matter.

“Darkness cannot drive out darkness. Only light can do that.”
– Rev. Martin Luther King, Jr.

WE KNOW THESE ARE DIFFICULT TIMES...

There is a lot of turmoil happening all around. We are facing a global pandemic and widespread civil unrest. Now more than ever, we must be our neighbor’s keeper.

Knowing that we all at one time or another have needed a helping hand, we have been sharing resources that we hope have been helpful. We encourage you to check text messages and email blasts coming from sanfordplaceblockassociation@gmail.com, to receive information about free food, rental assistance and utility assistance programs, as well as COVID testing sites, reopening plans and meeting updates. If you are not on the text distribution or email list, please email us or text our secretary, Yatisha Forde at 973-280-6657 to be added.

Feel free to send any additional resources you may know of to sanfordplaceblockassociation@gmail.com and we will share them with our neighbors.

BE COUNTED

Fill out the Census today:
<https://my2020census.gov/>

It is not too late to fill out the 2020 Census. This data impacts funding for our city and representation in congress for the next decade. Be counted!

A WORD OF GRATITUDE:

Congratulations to the 6th Police Precinct on the recent crime reduction statistics in our neighborhood. And thank you Capt. Lee Douglas and the officers who have shopped for our seniors and brought the City of Newark’s Hello Fresh meal delivery opportunity to our area.

AND FINALLY...

We look forward to seeing you at our next monthly meeting. Until then, stay safe and be well.

Valerie Crute, President
Sanford Place Block Association & Friends
