A Note from the President

We made it! We are blessed to have reached the end of 2020!

Happy Holidays To Everyone!

Through the ups and downs, the wins, the losses, the trials and the triumphs of this year, we became more than a neighborhood association....we became a family. You looked out for one another, met one another's unmet needs, advocated for each other, consoled and uplifted one another, communicated and worked together. I am so proud to be part of the SBA&F, Inc. family. I hope you are too. May God bless & keep you and your families healthy and safe.

-❤️ Valerie
